> To whom it may concern:

>

> I have read the comments sent in support of the above proposal and I want to second the comments. What I would add is the fact that the community AT LARGE will benefit from the Tylers' creativity complex because everyone can avail themselves of the spaces whereas the other proposals, while beneficial in limited ways, are designated for very specific purposes.

>

> The creativity complex in the neighborhood will create a gathering anchor much like the successful 154 Maverick Marketplace.

>

> We need this forward thinking proposal to create that sense of community giving all age groups a sense of belonging and this concept does that.

>

> I applaud the efforts of the Tylers to bring us a complex that makes living in East Boston vibrant! Visit 154 Maverick and you will see what bringing the community to a comfortable and inviting space means.
